

It's almost camping season!!!

We have started working at our booth at the RV shows and have seen many of you...gets us anxious for the season to start!

We are getting our activity schedule up and running...so look for it shortly! It will be a rough draft at first but the closer we get it will be finalized!!! Our first weekend, Work Weekend, will be May 4th-6th...Looking forward to seeing everyone and hearing some great winter stories! Mother's Day will be the following weekend...we will have a nice dinner for Mom and the family Saturday night. Remember to purchase your ticket ahead of time at the office!

We are lucky enough to have many familiar faces back this year: Pete and Marta, Patty and Tom, Tammy and Clay, Cindy and Tim, Jeff and Jeanie and of course CJ and Anita and Loren and Brenda. We are in need of a part time couple to fill our office/maintenance position. If you know someone who would be a good fit, have them send their resume and picture to Stacey@coloradoheights.com.

Last season, we had many people bringing in boats, motorcycle trailers, and cargo trailers. We do not store anything that does not fit on your site. If you plan on bringing something like this up, it needs to fit on your site without affecting sites around you. If it doesn't, we will be charging a storage fee of \$7/day.

Just a friendly reminder that we are checking on whether you are current on your dues or not when you check in. **This means, that if you have not paid your invoice within the 30 days, we will ask you to pay it.** Please remember that you are only allowed to enjoy Colorado Heights as long as your dues are current. We apologize for the inconvenience but please be patient with us. Please also make sure that we are up to date with any address or phone number changes so we can make sure to have up to date information!

Richard, Stacey, Joey and Tyler
