

This summer has gone so fast! We have had an amazing summer and we want to thank everyone for coming down and having fun with us this season!!!

Labor Day Weekend was great! We were busy, busy with activities and had a very full park! We had our usual rib dinner that everyone enjoyed and we followed that with a live band. Everyone had a great time and the band did an encore performance! We ended the weekend with the annual Carnival that we all enjoy so much!

We will be shutting the water off in the park on October 15th and will be closing down the North section for the winter around October 20th. If you plan on visiting us anytime after those dates, feel free to park anywhere in the C-section of the park and fill your holding tanks up front.

We have already started making some more changes to the park. Richard, Jeff and Loren have been working on making many more nice spots for us...they look great as usual. We have replaced some of the playground equipment with new, fun and exciting playground equipment! Stacey is really excited about this of course!

We would like to take the time to thank all the employees for all their help this summer! Without them, it wouldn't have been the same!!!

Just a friendly reminder that we are checking on whether you are current on your dues or not when you check in. If you are not current, we will ask you to pay your dues up to date so you can enjoy the park. Please remember that you are only allowed to enjoy Colorado Heights as long as your dues are current. We apologize for the inconvenience but please be patient with us.

Please keep checking back as I will be soon putting up the new, tentative, activity schedule soon. I will also be updating you about all the changes we are working on and putting up some new pictures!!

Have a safe winter!

Richard, Stacey, Joey and Tyler
